

NEILS 12 MONTHS OF CHALLENGES

Over the next 12 months I am undertaking a challenge per month in order to raise money for Kids Kidney Research.

This charity raises money for children's kidney disease. 95% of funds raised goes towards research projects. Up to 1/10 adults will be affected by kidney disease, with many of these thought to start in childhood. All this information and more can be found at <http://www.kidskidneyresearch.org>.
